Linea Cali nasce in Italia nel lontano 1986, quando inizia a produrre maniglie per porte abbinando la funzionalità al design.

Grazie all'originalità e qualità dei propri prodotti, Linea Cali ottiene fin da subito un ottimo riscontro sul mercato che la spinge ad ampliare la propria offerta con alcune linee di pomoli per mobile.

Il successo fu tale che negli anni a seguire furono introdotte sempre più collezioni, ognuna con una sua particolare cifra stilistica in grado di caratterizzare ogni mobile.

Grazie all'esperienza acquisita nel mondo del lusso, Linea Cali intuisce la necessità da parte della clientela di possedere oggetti sempre più particolari ed esclusivi; nascono così le prime collezioni di pomoli-gioiello impreziosite dai magici cristalli SWAROVSKI ELEMENTS.

Oggi, dopo oltre vent'anni, Linea Cali è riconosciuta in tutto il mondo come l'azienda che ha trasformato oggetti di uso comune (maniglie e pomoli) in gioielli dalle mille sfaccettature in grado di far brillare ogni ambiente in modo unico e inimitabile.

Linea Cali was founded in 1986 when, in Italy, it commenced the manufacture of handles, combining functionality and design.

Thanks to the quality and original design of its products, Linea Cali was successful from the outset thus encouraging the company to extend its range to include knobs for furniture.

They were so successful that in the years that followed they introduced more and more collections, each with its own style, capable of characterizing any piece of furniture.

Thanks to the experience acquired in the world of luxury, Linea Cali sensed the clients' need to possess objects that are increasingly unique and exclusive; thus, the first collections of knobs embellished with the magic crystals, SWAROVSKI ELEMENTS were created.

Today, after over twenty years, Linea Cali is recognized the world over as the company that transformed everyday objects (handles and knobs) into jewels with a thousand facets with the capacity of illuminating all surroundings in a unique and inimitable way.

Produciamo *pomoli* gioielli impreziositi da cristalli
